

Sheng-Hsuan Lin, M.D., ScD, ScM

National Yang Ming Chiao Tung University
Institute of Statistics
Rm 415, 1001 University Road, Hsinchu 30010, Taiwan
shenglin@nycu.edu.tw
TEL : 886-3-5712121 ext 56822 (or ext. 56816)
FAX : 886-3-5728745

Academic Appointments

Associate Professor, National Yang Ming Chiao Tung University, Institute of Statistics, 2021-Present

Joint Appointment Associate Professor, National Yang Ming Chiao Tung University, Institute of Data Science and Engineering, 2021-Present

Education

- Harvard University, School of Public Health (HSPH), Boston, M.A.
Master of Science (ScM), Department of Biostatistics (2014 – 2016)
Doctor of Science (ScD), Department of Epidemiology (2011 – 2016)
 - Concentration: Epidemiologic Method (Causal inference program)
 - Thesis advisor: Dr. Tyler VanderWeele
 - Committee members: Dr. Miguel Hernan, Dr. Eric Tchetgen Tchetgen
 - Major Field of Study: General epidemiology
 - Minor Fields of Study: Biostatistics, Neurological and Psychiatric Epidemiology
- National Taiwan University (NTU), Taipei, Taiwan
Medical doctor (M.D.), Department of Medicine (2003 – 2010)

Research Highlight

- Methodology: Epidemiologic method, biostatistics, causal inference, mediation analysis, time-varying system.
- Application: Epidemiology, decision science, cost-effectiveness analysis, psychiatry, behavior addiction, portable medical device, heart rate variability.

Research Support

Active

- Course development of “Advanced Causal Inference” – Adapting “Writing-Intensive Course” framework and “Virtue Peer-Review” field for elevating the literacy for scientific writing. Sheng-Hsuan Lin, PI. MOE Teaching Practice Research Program. PMS1110075. Project Period: 2022.08.01 – 2023.7.31
- Causal Mediation Analysis in longitudinal studies with death truncation and time-varying multiple mediators and precision mediation. Sheng-Hsuan Lin, PI. Ministry of Science and Technology in Taiwan MOST 111-2628-M-A49 -004 -MY3. Project Period: 2022.08.01 – 2025.7.31
- Causal inference and mechanism investigation through machine learning methodology. Sheng-Hsuan Lin, PI. Ministry of Science and Technology in Taiwan 108-2636-B-009 -001. Project Period: Feb 1, 2018 – Jan 31, 2023. Principal Investigator. 85% Effort. (USD 1,058,167 – 5 years)

Completed

- Course development for causal inference theory – Integration of problem-based learning and journal reading seminar. Sheng-Hsuan Lin, PI. MOE Teaching Practice Research Program. PMS1100245. Project Period: 2021.08.01 – 2022.7.31
- Analyzing the effects of occupational health policies on overwork-related diseases: mediating factors, forces that drive national policy change, and potential gaps in the research 107-2314-B-039 -062 -MY3. Project Period: 2018.08.01 – 2021.7.31
Co-Investigator. (Principal Investigator: Dr. Ro-Ting Lin)
- Testing for Agonistic Interactions for Causal-Pie Modeling in Long-Term Follow-Up Studies 108-2314-B-002 -MY2. Project Period: 2018.08.01 – 2021.7.31
Co-Investigator. (Principal Investigator: Dr. Jui-Hsiang Lin)
- Causal mediation and interaction analysis with multiple mediators. Sheng-Hsuan Lin, PI. Ministry of Science and Technology in Taiwan 106-2118-M-009-004-MY2. Project Period: 2017.10.1 – 2019.07.31
Principal Investigator. 70% Effort. (USD 41,600 – 2 years)

Boards

- Medical license in Taiwan (2010.08 - Present)

Professional Affiliations (past and present)

- Young Scholar Fellowship, Ministry of Science and Technology (MOST) 2018-2023
- International Association for Statistical Computing (IASC)-ARS Scientific Secretary 2022-2023
- The 11th Chinese Institute of Probability and Statistics (CIPS) Director 2022.01-2025.01
- Taiwanese Association of Statistical Methodology Director 2022-2023
- American Statistics Association (ASA)
- Society for Epidemiologic Research (SER)
- International Society of Pharmacoeconomics and Outcomes Research (ISPOR)
- Occupational Hygiene Association of Taiwan (TOHA)
- The Chinese Institute of Probability and Statistics (CIPS)
- Chinese Statistical Association Taiwan (CSAT)
- Taiwan Public Health Association (TPHA)

Work Experience

Teaching Assistant, Harvard University (Fall 2014)

- Course: Decision Analysis for Health and Medical Practices (RDS 280)
- Instructor: Professor Joseph Pliskin

Research Assistant, Department of Epidemiology and Biostatistics, School of Public Health, Harvard University (2012.09 – 2013.05)

Medication Substitute Services Drafter, Department of Health, Executive Yuan, R.O.C. (Taiwan) (2010.08 – 2011.07)

Internship Physician, National Taiwan University Hospital, Taipei, Taiwan (2009.06 – 2010.05)

Clerkship Physician, National Taiwan University Hospital, Taipei, Taiwan (2007.06 – 2009.05)

Research Experience

National Chiao-Tung University, Institute of Statistics (2020.08-2021.01)

Position: Associate Professor

National Chiao-Tung University, Institute of Statistics (2017.08-2020.07)

Position: Assistant Professor

National Chiao-Tung University, Institute of Data Science and Engineering (2018.08-2020.07)

Position: Joint Appointment Assistant Professor

Columbia University, Mailman School of Public Health, Department of Biostatistics, New York, NY (2016.06 – 2017.06)

Position: Postdoctoral research scientist

Advisor: Dr. Iuliana Ionita-Laza

HSPH, Department of Epidemiology and Biostatistics, Boston, M.A. (2014.01 – 2016.05)

Position: Doctoral student; Part-time research assistant

Advisor: Professor Tyler J. VanderWeele

HSPH, Department of Epidemiology and Biostatistics, Boston, M.A. (2012.09 – 2013.05)

Position: Research Assistant

Advisor: Professor Eric J. Tchetgen Tchetgen

NTU, Institute of Occupational Medicine and Industrial Hygiene, College of Public Health, Taipei, Taiwan (2008 – 2010)

Advisor: Professor Jung-Der Wang

Visiting Scholar

HSPH, Department of Epidemiology, Boston, M.A. (2019.06)

Position: Visiting Scholar

Collaborator: Dr. Albert Hofman

Institute of Statistics and Applied Probability, National University of Singapore (2019.01)

Position: Visiting Scholar

Collaborator: Dr. BaoLuo Sun

HSPH, Department of Epidemiology, Boston, M.A. (2018.11)

Position: Visiting Scholar

Collaborator: Dr. Albert Hofman

Icahn School of Medicine at Mount Sinai (2018.11)

Collaborator: Ling-shiang Chuang, Ph.D

Position: Visiting Scholar

RIKEN Center for Biosystems Dynamics Research (2018.09)

Collaborator: Nobuyuki Tanaka, Ph.D.

Position: Visiting Scholar

Erasmus Medical Center, Rotterdam, the Netherlands (2018.08)

Position: Visiting Scholar

Collaborator: M. Arfan Ikram

Institute of Statistics, Academia Sinica, Taiwan (2017.09-2017.12)

Position: Visiting Scholar

Collaborator: Dr. Yen-Tsung Huang

Erasmus Medical Center, Rotterdam, the Netherlands (2016.06)

Position: Postdoctoral Visiting Scholar

Advisor: Professors Tyler VanderWeele, Albert Hofman (Harvard Chan School), M. Arfan Ikram, Sonja Swanson (Erasmus Medical Center)

Honors and AwardsScholarship

- Taiwanese Government Scholarships for Overseas Study (GSOS): Full Scholarships (Sept 2012 to May 2015)
(Awarded annually to top outstanding student in a specific field.)
- Harvard Club of the Republic of China Scholarship (2011-2012)
(Awarded annually to top four new Harvard graduate students.)
- Government scholarship to study abroad by the Ministry of Education (2011-2012)
(Awarded to outstanding students who study abroad for specific field.)
- Department of Epidemiology Tuition Award (2011-2016)
- Taiwanese Physicians Scholarship (2015-2016)
- Taiwanese Physicians Stipend (2015-2016)

Awards

- Hsinchu Outstanding Youth Award for Social Service (from China Youth Corps) 2023.03
- 111-2 Encourage Teaching Award (from National Yang Ming Chiao Tung University) 2023.02
- Chinese Statistical Association (Taiwan) (CSAT) Thesis Professor Award 2022.11
 - Student: Hsia Pei-Hsuan / Excellent Work Award
 - Hsieh Yi-Chen / Excellent Work Award
 - Wu Pei-Hua / Excellent Work Award
- 111-1 Encourage Teaching Award (from National Yang Ming Chiao Tung University) 2022
- Excellent Teaching Award, College of Sciences, National Yang Ming Chiao Tung University, 2022.06
- Chinese Statistical Association (Taiwan) (CSAT) Thesis Professor Award 2021.12
 - Student: Liao Le-Shiuan / Excellent Work Award
- 110-1 Encourage Teaching Award (from National Yang Ming Chiao Tung University) 2021
- The 9th Young Scholar Creation Award (from Foundation For The Advancement of Outstanding Scholarship) 2021
- Chinese Statistical Association (Taiwan) (CSAT) Thesis Professor Award 2020.12
 - Student: Tsai Chun-An / Excellent Work Award
 - Student: Du Yi-Juan / Excellent Work Award
- Junior Chair Professor, National Chiao-Tung University (Lee Chen Junior Chair Professor) (2017-2020)
- Chinese Statistical Association (Taiwan) (CSAT) Thesis Professor Award 2019.12
 - Student: Liang Ying-Wen / Excellent Work Award
 - Student: Lin Shr-Wen / Excellent Work Award
- Young Scholar Research Award (from the College of Science, National Chiao Tung University (2019.04)

- MOST Young Scholar Fellowship (from the Ministry of Science and Technology) (2018.10)
- Rose Traveling Fellowship (2016)
- Outstanding Youth, Medical School, National Taiwan University (2010)
(Awarded to academically outstanding undergraduate students.)
- College Entrance Examination in Taiwan (2003)
Second highest score among all applicants (approximate 100,000) to the universities in Taiwan.

International Math/Physics Olympiad Competition

- Honor Medal of the Asia Pacific Mathematic Olympiad (2003)
(Awarded to the top ten participants from each country)
- Silver Medal of the 33rd International Physics Olympiad, Bali, Indonesia (2002)
(Awarded to the top 18% participants from each country)
- Gold Medal of the 3rd Asia Physics Olympiad, Singapore (2002)
(Awarded to the top 6% participants from each country)
- Brown Medal of the 2nd Asia Physics Olympiad, Taipei, Taiwan (2001)
(Awarded to the top 36% participants from each country)

Awards for academic writing and presentation

- Reuel Stallones Student Prize Paper Award (2016)
(Awarded to the top three students in SER conference)
- Foundation of Taiwan Medical Development Awards for Outstanding Writings (2009)
(Awarded to the top six undergraduate medical students with outstanding paper and presentations.)
- Scholarship of Dian-Sheng Corporation Limited (2009)
(Awarded to academically outstanding undergraduate students coming from economically disadvantaged families.)
- The 29th Occupational Hygiene Association of Taiwan Conference, Awards for Outstanding Writings (2009)
(Awarded for outstanding paper and presentation in the conference, ranked top two.)
- Outstanding Students Conference Travel Grant, Foundation for the Advancement of Outstanding Scholarship (2009)
(Awarded for outstanding papers and presentations at an international conference.)
- Outstanding Students Conference Travel Grant, Aim for the Top University Plan, National Taiwan University College of Medicine (2009)
(Awarded to medical students in the College of Medicine of National Taiwan University College of Medicine with outstanding papers and presentations in international conference.)

2. Conference paper

- Abstracts for the 4th Epidemiology Congress of the Americas (2016)
- Society for Epidemiologic Research's Annual Meeting (2017-present)

3. Grant and Award

- 2021 Taiwan Public Health Joint Annual Conference, Poster competition, review committee
- 2021 MOHW-NTU Infectious Diseases Research and Education Center, Student outstanding research paper award, review committee
- Ching-Zong Wei Statistical Paper Award, review committee (2019)

- Ministry of science and technology in Taiwan grant review (2019)(*1); (2021)(*2); (2022)(*8)
- University of California, Irvine (UCI) Institute for Clinical and Translational Science (ICTS) Pilot Award grant review panel (2017).

Teaching and presentation

Courses Instructor

National Yang Ming Chiao Tung University

- 2023 (Spring) “Frontier Science and Technology – Applied Statistics” (SCPA30012)
 2023 (Spring) “Advanced Causal inference” (SCIS30088)
 2023 (Spring) “Introduction to the methods of biomedical research” (SCIS30036)
 2022 (Fall) “Causal inference”(SCIS30007)
 2022 (Fall) “Seminar” (SCIS30013)
 2022 (Spring) “Advanced Causal inference” (IST5579)
 2022 (Spring) “Introduction to the methods of biomedical research” (IST5618)
 2021 (Fall) “Causal inference” (IST5557)
 2021 (Fall) “Seminar” (IST5401)
 2021 (Spring) “Advanced Causal inference” (IST5579)

National Chiao Tung University

- 2020 (Fall) “Causal inference” (IST5557)
 2020 (Fall) “Introduction to the methods of biomedical research” (IST5618)
 2020 (Spring) “Longitudinal Data Analysis” (IST5603)
 2020 (Spring) “Causal inference” (IST5557)
 2019 (Fall) “Clinical Trials” (IST5619)
 2019 (Fall) “Introduction to the methods of biomedical research” (IST5618)
 2019 (Spring) “Seminar” (IST5401)
 2019 (Spring) “Causal inference” (IST5557)
 2018 (Fall) “Introduction to the methods of biomedical research” (IST5618)
 2018 (Fall) “Seminar” (IST5401)
 2018 (Spring) “Advanced methods for biomedical research” (IST5556)
 2017 (Fall) “Introduction to the method for biomedical research” (IST5618)

Teaching Assistantship

Harvard University

- 2014 (Fall) “Decision Analysis for Health and Medical Practices” (RDS 280)

Invited Conference Oral Presentations

1. Economics and Statistics Interdisciplinary Workshop. Causal Analysis - Speaker in the Field of Statistics (2022.08.30)
2. The 31st Southern District Statistical Seminar and 2022 Chinese Society of Probability Statistics Annual Meeting and Academic Seminar. Causal Inference Session speaker: **From Linear Structural Equation Modeling to Generalized Multiple Mediation Formula** (2022.07.28)
3. 2021 Taiwan Mathematical Society Annual Meeting (Speaker) (2022.01.18)
4. 2021 Taiwanese Association of Statistical Methodology(keynote speaker) : From linear structural equation modeling to generalized multiple mediation formula (2021.12.4)
5. The 11th Chinese Traditional Art and Numerical Culture Symposium (New Taipei, Taiwan) (2022)

6. IASC-ARS invited session (IS17: Innovation methodology development of causal mediation analysis for biomedical data) (2022.2.24)
7. The 10th Chinese Traditional Art and Numerical Culture Symposium (New Taipei, Taiwan) (2021)
8. The 30th Southern District Statistical Seminar and 2021 Chinese Society of Probability Statistics Annual Meeting and Academic Seminar. Causal Inference Session Host (2021)
9. Academia Sinica Human Resources and Social Security Center Historical Population Project Team Causal Mediation Workshop. (2020.12)
10. 2020 Joint Public Health Conference (Taipei, Taiwan): Multiple intermediary analysis and decision-making analysis based on long-term follow-up data-Taking chronic obstructive pulmonary disease generation data and emphysema patients' lung volume reduction surgery clinical trial data as examples. Special event organizer (2020.10.17)
11. The 9th Chinese Traditional Art and Numerical Culture Symposium (New Taipei, Taiwan): Conflict, Reconciliation and Symbiosis between Numerology and Science--Finding a Solution from the "Religious Dialogue" (2020.09.26)
12. The 29th Southern District Statistical Seminar and 2020 Chinese Society of Probability Statistics Annual Meeting and Academic Seminar. Causal Inference Session Host and Speaker (Chiayi, Taiwan): **Integrated multiple mediation analysis: A robustness-specificity trade-off for the causal structure** (2020.08.20)
13. 4th International Conference on Econometrics and Statistics (EcoSta 2020, Seoul, South Korea). 2020.07.20-22 (Online meeting due to Covid-19.)
14. 11th ICSA International Conference (Hangzhou, China): **Generalized interventional approach for causal mediation analysis with causally ordered multiple mediators** (2019.12.20-22)
15. 2019 China Statistical Society Member Conference and Statistical Academic Seminar. Organizer of Biostatistics Session (Hsinchu, Taiwan. 2019.12.14)
16. 2019 Joint Member Conference and Academic Seminar. Multi-Causal Intermediary Analysis Session Host and Speaker (Taipei, Taiwan): **A review of causal mediation analysis with multiple mediators** (2019.09.26-28)
17. The conference Data Science, Statistics and Visualisation (DSSV 2019) (Kyoto, Japan): **Generalized Interventional Approach for Causal Mediation Analysis with Causally Ordered Multiple Mediators; On identification of agonistic interaction: Hepatitis B and C interaction on hepatocellular carcinoma** (2019.08.13-15).
18. 2018 Statistics Week Taiwan Statistics for the Next Decade (Taipei, Taiwan): **Visualization and identification of agonistic interaction through an exclusive transformation of sufficient component cause model** (2018.11.06)
19. Japanese Joint Statistical Meeting 2018 (Tokyo, Japan): **Causal inference and mechanism investigation undertime-varying system** (2018.09.12)
20. 23rd International Conference on Computational Statistics (COMPSTAT 2018) (Iasi, Romania) **Visualization and identification of agonistic interaction – hepatitis B and C interaction on hepatocellular carcinoma.** (2018.08.28).
21. The 27th Southern District Statistical Seminar & 2018 Chinese Society of Probability Statistics Annual Conference and Academic Seminar & 2018 Chinese Data Mining Association Annual Conference and Academic Seminar (Tainan, Taiwan): **Visualization and identification of agonistic interaction**

Hepatitis B and C interaction on hepatocellular carcinoma (2018.06.29)

22. Keynote speech at the 11th Cross-Strait Symposium on Probability and Statistics (Taipei, Taiwan): **Causal Inference and Mechanism Investigation under Time-Varying System** (2018.06.01)
23. 2018 Smart Technology and Applied Statistics Seminar and 2018 Applied Statistics Academic Seminar (Hsinchu, Taiwan). Biometrics (2018.05.19)
24. 7th Chinese Traditional Mathematics and Culture Symposium (New Taipei, Taiwan): Models and Methodology of Quantitative Research on Numerology (2018.03.31)
25. 2017 Joint Statistical Meetings, Invited Papers (Baltimore, ML): **Parametric mediational g-formula approach to mediation analysis with time-varying exposures, mediators, and confounders** (2017.07.31).
26. 40th Anniversary of the Dutch Epidemiology Conference, WEON preconference (session: Innovations in Methodology for Big Data Research) (the Netherlands): **Causal mediation analysis with time-varying mediators** (2016.06).
27. Epidemiology Congress of the Americas (Miami, FL, USA): **Mediation analysis with survival outcome and time-varying exposures, mediators, and confounders: a case study of the Framingham Heart Study** (2016.06).
28. 3th Boston Taiwanese Biotechnology Symposium (Boston, MA, USA): **Parametric mediational g-formula approach to mediation analysis with time-varying exposures, mediators and confounders: an application to smoking, weight, and blood pressure** (2015.06).
29. Annual Conference of EPICOH-Medichem Occupational Health under Globalization and New Technology (Taipei, Taiwan): **Estimation of life expectancies and loss of life expectancies for workers with permanent occupational disability of lower limbs: A follow-up study for 21 years** (2010.04)
30. 29th Occupational Hygiene Association of Taiwan Conference (Taipei, Taiwan): **Increased mortality risk for workers with a compensated, permanent occupational disability of the upper or lower extremities: a 21-year follow-up study** (2009.04)
31. 9th Occupational Therapy Annual International Meeting (Taipei, Taiwan): **Estimation of life expectancies and loss of life expectancies for workers with permanent occupational disability of lower limbs: A follow-up study for 21 years** (2009.04)

Invited Seminars and lectures (past and upcoming)

1. Health Information and Epidemiology Laboratory (HIE Lab), Chang Gung Memorial Hospital, Chiayi, Taiwan. 2020.09.19
2. Department of Statistics, Feng Chia University. 2020.10.16
3. National Cheng Kung University Institute of Public Health. 2020.10.14
4. Taichung Municipal Taichung First Senior High School. 2020.04
5. Taipei Medical University. 2019.11.13
6. National Dong Hua University. 2019.11.08
7. China Medical University Hsinchu Hospital. 2019.10
8. Department of Applied Mathematics, National Sun Yat-sen University. 2019.05.16
9. National University of Kaohsiung. 2019.05.15
10. National Yang Ming University, Institute of Public Health. 2019.05.06
11. Seminar in Taichung Municipal Taichung First Senior High School. 2018.12.20

12. The Graduate Institute of Statistics and Information Science National Changhua University of Education. 2018.10.04
13. Institute of Statistics, Tunghai University. 2018.10.02
14. Institute of Statistics, National Cheng Kung University. 2018.09.27
15. Lecture in Institute of Epidemiology and Preventive Medicine, National Taiwan University. 2018.06.01 and 2018.06.08
16. Institute of Statistical Science, Academia Sinica. 2018.05
17. Department of Mathematics, National Chung Hsing University. 2018.04
18. Department of Mathematics, National Chung Cheng University, Department of Mathematics. 2018.04
19. Seminar in Graduate Institute of Statistics, National Central University. 2018.04.10
20. Seminar in Department of Statistics, National Cheng Chi University, 2018.04.09
21. Hypothesis test for categorical data and non-parametric method. Lecture in Department of Medicine, National Taiwan University. 2018.03.30
22. Seminar in Department of Statistics, Tam Kang University. 2018.03.15
23. Seminar in Department of Epidemiology, UCLA, 2018.02.14
24. Finding the invisible hand of God – Investigate the mechanism on data science. Lecture in Taichung First Senior High School. 2017.12.20
25. Causal inference and mechanism investigation under time-varying system. Seminar in Institute of Statistics, National Tsing Hua University. 2017.12.15
26. The unification of confounding, mediation, and interaction through causal diagram and sufficient component cause model. Lecture in National Taipei University of Nursing and Health Sciences. 2017.12.05
27. Causal mechanism investigation through mediation analysis for longitudinal data. Seminar in Division of Biostatistics and Bioinformatics at National Health Research Institutes. 2017.11.08

Public Presentation (past and upcoming)

1. Public Speech in New Taipei Municipal Mingder High School, "The distance between numerology and statistics". 2019.11
2. Seminar in Ministry of Education. 2019.03.25
3. Lecture in the 4th Conference of the Development of International Olympiad. 2018.12
4. Public Speech in Café Philo. 2018.01.24
5. Public Speech in Café Philo. 2017.05

Dissertation and Research Advising:

High School Research Project Advising

Taichung Municipal Taichung First Senior High School

- Advisor for Jian Tz-Shuen, Class of Science, 2019-2020

Masters Thesis Advising

National Yang Ming Chiao Tung University /National Chiao Tung University

- Advisor for Hong Hsiang-Shi, Institute of Statistics, 2023-Present
- Advisor for Zhang Yun-Hao, Institute of Statistics, 2023-Present
- Advisor for Lee Wei-Chien, Institute of Statistics, 2023-Present
- Advisor for Duan Yi-Chen, Institute of Statistics, 2023-Present
- Advisor for Kao Shih-Hsuan, Institute of Statistics, 2023-Present
- Advisor for Wang Yi-Ru, College of Science (On-the-Job), 2021-Present

- Advisor for Hsu Huan-Chi, Institute of Statistics, 2021-Present
- Advisor for Yeh Chao-Ying, Institute of Statistics, 2022-2023
- Advisor for Lin Chuan, Institute of Statistics, 2021-2022
- Advisor for Chen Yan-Hung, Institute of Statistics, 2021-2022
- Advisor for Wu Pei-Hua, Institute of Statistics, 2021-2022
- Advisor for Hsieh Yi-Chen, Institute of Statistics, 2021-2022
- Advisor for Chiou Hung-Ru, Institute of Statistics, 2021-2022
- Advisor for Li Cheng-Chien, Institute of Statistics, 2020-2021
- Advisor for Shia Pei-Shiuan, Institute of Statistics, 2020-2022
- Advisor for Liao Le-Shiuan, Institute of Statistics, 2020-2021
- Advisor for Du Yi-Jyuan, Institute of Statistics, 2019-2020
- Advisor for Cai Jyun-An, Institute of Statistics, 2019-2020
- Advisor for Chu Min-Hui, Institute of Data Science and Engineering, 2018-Present
- Advisor for Lin Pei-Hsuan, Institute of Data Science and Engineering, 2018-2020
- Co-Advisor for Novi Ajeng Salehah, Institute of Statistics, 2018-2019
- Advisor for Lin Kuan-I, Institute of Statistics, 2018-2019
- Advisor for Lin Shih-Wen, Institute of Statistics, 2018-2019
- Advisor for Lin Geng-Xian, Institute of Statistics, 2018-2019
- Advisor for Liang Ying-Wen, Institute of Statistics, 2018-2019
- Co-Advisor for Chung Chia-En, Institute of Statistics, 2017-2018

National Tsing Hua University

- Advisor for Lu Yung-Teng, Institute of Statistics, 2021-2022

Doctoral Thesis Advising

National Yang Ming Chiao Tung University /National Chiao Tung University

- Advisor for Dr. Liu Yao-Jen, PhD Program of Biomedical Science and Engineering Curriculum, 2022-Present
- Advisor for Peng Han-Chi, Institute of Statistics, (On-the-Job) 2022-Present
- Advisor for Wu Chun-Yan, Institute of Statistics, (On-the-Job) 2021-Present
- Advisor for Chu Yu-Cheng, Institute of Statistics, 2020-Present
- Advisor for Dr. Lin Yu-Jr, PhD Program of Biomedical Science and Engineering Curriculum, 2020-Present
- Advisor for Dr. Lin Yi-Shiuan, Department of Biological Science and Technology, 2020-Present
- Advisor for Dr. Huang Tz-Yan, Department of Biological Science and Technology, 2020-2022.2
- Advisor for Chou Meng-Ying, Institute of Statistics, 2019-2020
- Advisor for Dr. Hong Shao-Yu, PhD Program of Biomedical Science and Engineering Curriculum, 2018-Present

Postdoctoral Researcher Advising

National Yang Ming Chiao Tung University /National Chiao Tung University

- Lee Chung-Han, 2019 – 2022.08
- Tai An-Shun, 2019 –2022.07

Dissertation Committees

National Yang Ming Chiao Tung University /National Chiao Tung University

- Hong Yi-jie, Institute of Statistics, 2022

- Zhu Kai-ze, Institute of Statistics, 2022
- Gao Ji-Ling, Institute of Statistics, 2021
- Dwilaksana Abdullah Rasyid, Institute of Statistics, 2020
- Amri Muhaimin, Institute of Statistics, 2020
- Wu Meng-Yun, Institute of Statistics, 2020
- Chen Kai-Chi, Institute of Statistics, 2020
- Chiang Ling-Wei, Institute of Statistics, 2020
- Chen Chien-Heng, Institute of Statistics, 2020
- Lee Chung-Han, Institute of Statistics, 2019
- Sheng Hang-Ping, Institute of Statistics, 2018
- Yen Chia-Ying, Institute of Statistics, 2018
- Lin Chih-Hsuan, Institute of Statistics, 2018
- Chang Yung-Cheng, Department of Industrial Engineering and Management, 2018
- Chen Tzu-Yu, Department of Industrial Engineering and Management, 2018
- Chen Chien-Jen, Department of Industrial Engineering and Management, 2018
- Wang Yi-I, Applied Science and Technology, 2018
- Pan Yu-Ming, Institute of Statistics, 2018
- Hung Hsiu-Chun, Institute of Statistics, 2018

National Cheng Kung University

- Dr. Chou Chih-Chen, Institute of Statistics, 2022
- Chuang Cheng-Feng, Institute of Statistics, 2021
- Ho Chia-I, Department of Public Health, 2018

National Tsing Hua University

- Wang Ze-Wen, Institute of Statistics, 2021
- Chin Yung-Hui, Institute of Statistics, 2020
- Cal Chang-Yu, Institute of Statistics, 2018

National Taiwan University

- Ho, Yun-Lin, Institute of Mathematics, 2022

Hong Kong University

- Miss SHI Jian, School of Public Health, 2022

Honors and Awards

National Yang Ming Chiao Tung University / National Chiao Tung University

- Yi-Chen Hsieh, Institute of Statistics. 2022 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: A Pilot Study of Exploring the Effect of Entacapone on Patients with Parkinson's Disease Through the Analysis of Gut Microbiome)
- Pei-Hua Wu, Institute of Statistics. 2022 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: Exploring the Causal Effect of Constipation on Parkinson's Disease Through Mediation Analysis of Microbial Data)
- Pei-Hsuan Hsia, Institute of Statistics. 2022 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: Causal Mediation Analysis for Difference-in-Difference Design and Panel Data)
- Pei-Hsuan Hsia, Institute of Statistics. The 31st Chen Wen-cheng Statistical Science Scholarship, 2021

- Le-Hsuan Liao, Institute of Statistics. 2021 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: Integral mediation—interaction analysis with multiple mediators)
- Pei-Hsuan Hsia, Institute of Statistics. 2021 Public Health Association Poster Excellence Award.
- Yu-Cheng Chu, Institute of Statistics. 2020 Outstanding PhD Student Entrance Scholarship.
- Chun-An Tsai, Institute of Statistics. 2020 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: Approaches to Mediation Analysis in the Presence of the death-truncated Mediator)
- Yi-Juan Du, Institute of Statistics. 2020 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: Integration of all existing methods for causal multi-mediation analysis)
- Lin Pei-Hsuan, Institute of Data Science and Engineering. 2020 National Postgraduate Statistics Research Achievement Symposium Special Award in the Poster Thesis Contest. (Manuscript Title: General approach of causal medication analysis with causally ordered multiple mediators and survival outcome)
- Lin Shih-Wen, Institute of Statistics. 2019 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: The Mediation Parameter Estimation and Sample Size Calculations for the Multiple Mediation Model)
- Liang Ying-Wen, Institute of Statistics. 2019 Chinese Statistical Association Taiwan (CSAT) Paper Award Excellent Work. (Manuscript Title: Generalized Controlled Direct Effect for Multiple Mediation Analysis with Multiple Mediators)
- Liang Ying-Wen, Institute of Statistics. Taiwan Occupational Hygiene Association published the second place in 108 excellent posters: The effect of national policy change on working hours and overwork-related disease: a medication analysis

School and Community Service

National Yang Ming Chiao Tung University

- Research Ethics Committee for Human Subject Protection Committee, National Chiao Tung University, REC (2021.02-2024.07)
- Election of Dean in College of Science; committee member (2021)
- Duty dormitory management committee. (2021)

National Chiao Tung University

- Research Ethics Committee for Human Subject Protection Committee, National Chiao Tung University, REC (2020 -2021.01)
- Duty dormitory management committee. (2020)
- Member of the Academic Council. (2020)
- PhD Degree Program of Biomedical Science and Engineering Admission Committee. (2019)
- Master Admission Committee. (2018)
- Research Ethics Committee for Human Subject Protection, National Chiao Tung University. (2018)
- Written review of the application for the selection of the master class. (2018.11)
- Member of the oral entrance exam for the master's class. (2018.03)
- The entrance examination committee member of the master class. (2017.11)

Harvard University

- Founder and Chair, HSPH Student Society for Historical Public Health Practices, Harvard School of Public Health (2014)
- Founder and Chair, HSPH Student Calligraphy Society, Harvard School of Public Health (2014)

National Taiwan University

- Championship of 2008 Inter-Medical College Go Competition (2008.03)
 - The largest medical student Go (a kind of traditional Chinese Chess) prize awarded for undergraduate medical students in Taiwan. Participated as the leader of NTU team
- Chair, the Family Survey Group in Summer service team of Traditional Medicine Club, National Taiwan University (2008.06-2008.07)
- Host of the inter-collegial conference for the management and promotion of a Traditional Medicine Club (2004.12)
- Volunteer, Summer service team of NTU-TMC, National Taiwan University (2004-2008)

Others

- Wu Chien-Shiung Science Camp Invited Professor. (2019.08)
- Academia Sinica Statistical Science Camp Host. (2018.09)
- Assistant, the 6th to 8th Wu Chien-Shiung Science Camp, Wu Chien-Shiung Education Foundation, Taiwan (2003-2005)
- Invited Member of the 4th to 5th Wu Chien-Shiung Science Camp (2001-2002)
